Public safety activity summary

Public-facing worksheet. Complete only after your agency reviews the information for release.

AGENCY / UNIT

REPORTING PERIOD

Use broad mission categories and general areas. Omit personal information, precise sensitive locations, tactics, evidence identifiers and restricted incident details. Agency policy and applicable disclosure rules govern any release.

Date	Mission category	General area	Flights	Minutes	Approved activity / outcome summary

REVIEWED TOTAL FLIGHTS / TOTAL MINUTES

RELEASE REVIEWER / APPROVAL DATE

AGENCY-APPROVED CONTEXT / NOTES

Illustrative categories: search and rescue, fire support, scene documentation, training, other. Review before publication. No agency endorsement is implied.
